

Dr. YSR UNIVERSITY OF HEALTH SCIENCES: AP: VIJAYAWADA- 520 008.

To

Date: January 2024.

The Principals
All the Affiliated B.Sc(N) Colleges of
Dr YSR University of Health Sciences,
Andhra Pradesh.

Dear Sir/Madam,

Sub: Dr. YSRUHS - Admissions - B.Sc.(N) - 2023-24 filling of Management
Quota and Unfilled Competent Authority Seats - Regarding.
Ref: This office email dated 23/12/2023.

§ § §

Following up on the University email dated December 23, 2023, this letter serves as a gentle reminder and a soft warning regarding the strict adherence to Indian Nursing Council (INC) Regulations for student admissions to B.Sc(Nursing) under Management Quota/Unfilled Competent Authority Quota for the academic year 2023-24.

We urge you to scrupulously follow INC admission regulations to ensure a fair and transparent admission process. Any deviation from these guidelines will be viewed seriously and may attract severe disciplinary action. The University will not take any responsibility for irregular admissions if any. Admissions of students who haven't qualified/appeared in APEAPCET or NEET-UG will not be approved by the University under any circumstances.

Therefore, we strongly encourage you to re-examine your admission process and ensure that all admitted students under Management Quota and Unfilled Competent Authority Quota for the academic year 2023-24 have met the mandatory qualification criteria of appearing in either APEAPCET or NEET-UG. If any irregularities are identified, please take immediate corrective action by discharging all such students to rectify the situation on or before 31/01/2024.

This for your information and strict compliance.

Encl. As stated

Sincerely,

(Dr. Vemireddy Radhika Reddy)
